FROM THE PRINCIPAL'S DESK:

Dear Parent / Guardian,

Greetings from all of us here at SJIS!

I am pleased to mention with the commencement of 2016, we have added another 3 more classrooms on the first floor of the Brother's Quarters block to cater for the increase in the enrolment of students for 2016. This floor now also houses a meeting room next to the staff room. I also would like to take this opportunity to welcome all our new students especially those in Year 7 & A-Level to SJIS. In tandem with the increase in student's enrolment, we have also increased the number of teachers for 2016.

SJIS Management Systems:

- Our EMS system 2016 is now accessible by both parents & students which can be logged-in from our website (www.sjis.edu.my). All parents are now able to use the above for all our academic & examination matters. Detailed training has been given to all students from 18th till 22nd January 2016.
- Parent's username will be exactly their child's student account with the **extra inclusion of the letter 'P'** at the end of your child's student account. (For example: if the child's account username is 'SJIS0123'; the respective parent's username will be '**SJIS0123P**').
- Parent's initial login password shall be similar to their username mentioned above. (eg. username: SJIS0123P, the initial/first time login password would be '**SJIS0123P**'). Parents should then have their passwords changed with a **8 digit (alpha-numericals accepted)** after their initial/first login is successful.
- With this access, parents will have additional functions to check on student's leave application; student's withdrawal request; fee payment monitoring; posting official feedback to the school & etc, just to name a few examples.
- We urge all parents to check their assigned account on a daily basis for permission/approval for school based activities and to keep abreast with your child/children's lesson, homework and/or assignments in school that may include also their respective due dates for completion and/or submission.
Should you have any queries on our EMS, please do not hesitate to contact us so that we are able to assist you on this matter.

- **School Attire:**
 - As per our student handbook, I wish to request the cooperation of all parents to ensure that your child/children are properly attired whilst in school. It is compulsory for all students to be in their neat school uniform (inclusive of school tie) every day in school **EXCEPT** on Wednesdays & Thursdays for their respective club & sports activities. No other attire is allowed for these and if in any circumstances students are not able to wear their sportswear on Wednesday or Thursday, students are only allowed to wear a white 'T' shirt as a temporary measure. With this in practice, we will have uniformity in our student's attire at all times during school sessions.
 - Just to inform parents that for 2016, we have added another club (English Literature Club) & sports (Kick-boxing) activities to cater for the increased number of students. Hence we have to date a total of 16 clubs & sports activities respectively.

- **School Hours/Sessions:**

- Please be informed that though our school session is between 8.00am to 3.30pm from Mondays to Thursdays AND from 8.00am till 12.30pm on Fridays, kindly keep the school informed in the event where your child is either earlier more than an hour in the morning or still in school an hour later than the dismissal time each day. This is to ensure the safety of your child whilst they are in school. It is also important to notify the school on any changes in the transportation arrangement of your child.
- Please be informed that SJIS will be responsible for the safety of all students within half an hour prior to the commencement/start and also the end of any of our events taking place outside of our school premises. Parents need to inform the school should their child/children arrive any earlier or depart later after the end/completion of any school events. Your cooperation on this matter is very much appreciated to ensure the well-being of the students are well taken care of at all times.

- **Byron Garden Cafe:**

- I am happy to announce that the new café operator is doing a fine job in maintaining the hygiene & quality of food being served for our students & staff here at SJIS. Currently the 3-tiered break sessions is working well for the students & shall be maintained. I would also like to encourage parents to try out the food at the café whenever you have the opportunity so that we can also hear your constructive comments for further improvement.

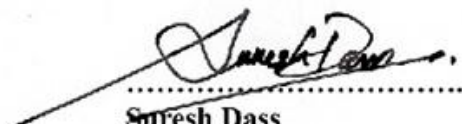

- **Siblings Registration – 2017 Intake:**

- Since there is a current waiting list for student registration for 2017, we advise all parents to register our student's siblings for January 2017 intake before or by 29th February 2016. Please exercise this preference registration for siblings in due time as after this date, we will commence registration for new applicants into SJIS.
- Please enquire from our marketing department with regards to fee payments, sibling discounts & etc as soon as possible before 29th February 2016.

Thank you so much for all your kind support thus far & shall anticipate your continued support. 'Gong Xi Fa Cai & Happy Holidays'
