"Power of preparation : Give me six hours to chop down a tree and I will spend the first four sharpening the axe." - Abraham Lincoln

The SJIS Success Planner team and the SJIS Marketing team have collaborated together in conducting the "Gearing Up for PPSR Workshop" for primary school students to ace their Peperiksaan Pelaporan Pentaksiran Sekolah Rendah (PPSR). SK Convent (1) Bukit Nanas and SK Convent (2) Bukit Nanas have participated actively in this workshop and have received innumerable benefits and guidelines in this two-hour session which was held in SJIS Campus 2 today, from 10am to 12pm. The participants were exposed to the direct effect of their study habits and the importance of preparation before examination, on their result. The "Gearing Up for PPSR Workshop" has ended successfully with the participants leaving with confidence to score better grades for their examination.
