St. John's International School has welcomed parents and students for SJIS 7s Orientation Day which was held on 5th of October 2019 at SJIS Campus 2. The half day orientation programme was aimed to support the new students' transition to SJIS and to provide important information and guidance in a friendly and nurturing ambiance.

The programme started off with a welcome speech by the respected COO and Principal of SJIS, Mr Suresh Dass. The other focus areas of the programme included an Introduction to Mandarin Language by Language Tree, an Introduction to French Language by Aliance Francaise as well as an overview of general rules and 7s books distribution. The programme has also helped the students building familiarisation with the layout of the school, the 7s programme flow, facilities and key personnel.

The 7s Orientation Day has been a great exposure for the newbies as to be a part of the SJIS family and helped them settle into productive routines and work habits for their first year of secondary school. Best wishes from the SJIS family to the newly enrolled 7s students. We wish them a successful academic year ahead!
