This emblem reflects the educational excellence that is inherent with the proud heritage of De La Salle. The journey of education is represented by the star that guides every scholar. Malaysia's national flower, the hibiscus, is laid out in a row to depict the synchronicity of "Vision, Mission and Spirit". The phoenix with its proudly spread wings acts as the sentinel of eternal and

perpetual pride setting lofty standards and achieving high goals. The name of the institution is set out as an arch providing aegis of authority and influence whereas the school motto “Faith and Fortitude” underlines the strong beliefs and courage on which it was founded, which is emblazoned across a yellow ribbon to denote youthfulness and vibrancy. The green background of the crest signifies the milieu of willingness to explore new and fresh approaches to education as well as care of the environment and a better tomorrow.
